

# Keep Learning to Keep Leading (AND Growing)

- Goals Demand Change
  - There is no Growth without Change
  - There is no Change without Leadership
  - To Continue to Reach Goals

- You the Leader must continue to Leader!!
- “People don’t grow automatically! To grow, you have to be intentional!”
- What is your personal growth plan - What is your plan to grow personally? (Steven Covey’s #7, Sharpen the Saw)

# Keep Learning to Keep Leading (AND Growing)

- “People don’t reach their goals or their potential on accident - the secret is found in people’s daily agenda.”
- \*Either you are doing something intentional to grow every day that moves you closer to reaching your goals or potential OR you slowly slip away, drift, from them!
  - It’s a choice -(both)- your goals & your personal growth plan!

# Keep Learning to Keep Leading (AND Growing)

- Learners are No Limits Leaders!
- Being around people who are better than we are makes us stretch & improve!
- It is not always comfortable but it is always profitable!
- Great people desire to bring out the greatness in others! Small people will try to put the same limits on others that they have put on themselves!

**Be one of the Great People...  
Be a Leader, Be a Learner!!  
Be a No Limits Leader!!**
